

NORTH DAKOTA PARENT-TEEN DRIVING AGREEMENT

Driving is the leading cause of death and injury for those under age 24. Parent-teen driving agreements are a proven way to reduce crash risk. Complete and sign this Agreement when the teen obtains a learner's permit, and review and resign when the teen obtains a license.

CAUTIONS FOR PARENTS AND SUPERVISING ADULTS

- State laws allow teens to obtain a learner's permit, but parents and guardians may prohibit those under 18 years old from starting to drive. *Review the safety risks stated below and use your judgment.*
- You are a *role model for your teen driver*, and need to teach safe driving habits by being a responsible, defensive driver at all times.

SAFETY RISKS OF TEEN DRIVING

- Driving is especially dangerous for teens because *the human brain does not fully develop* its ability to assess risk and danger *until we reach age 22 to 25; no amount of driver training can overcome this risk.*
- A teen driver violating state laws can cause *injury or death to people and damage to property, which can result in criminal and civil penalties and financial liability for parents or guardians.*
- Driver education is essential, but passing a course and obtaining a license only means that a teen is a beginner at a dangerous task; *it does not mean that the teen is a safe driver.*
- Speeding, reckless driving, alcohol or drug use, not using seat belts, distracting electronic devices, teen passengers, and fatigue *risk the life of the driver, passengers, other drivers, passengers in other vehicles, and pedestrians.*

If I drive while my privileges are suspended, they will be suspended indefinitely.
